## Baytex Clipframe Mk2 - 6m & 9m Series

The Clipframe has earned a reputation for high quality and is proven to be the fastest erecting marquee in the business.

The modular design allows flexibility to expand.

SIMPLICITY · PERFORMANCE · STYLE

**Simplicity, Style, Flexibility**

**Image Projection**

The Clipframe is excellent for promotional use. Project your innovative image, unique logo and identity to the public with this strong, waterproof and wind resistant marquee.

**Fabric**

All Baytex Marquees have a high tech lacquer surface coating for a smooth, glossy, dirt resistant finish. Fire retardant fabric specially treated to prevent moisture wicking. Choice of Ferrari Translucent or Blockout PVC white or a choice of colours. High frequency welded for optimum strength, fabricated in NZ.

**Hardware**

Anodised alloy rail components for light weight strength and durability. High quality electro galvanised steel connectors ensure long lasting, clean appearance. Powder coated alloy castings to minimise fabric damage. Premium NZ sourced.

**Specifications**

Baytex Clipframe Mk2 Marquees are available as a 10m wide and extendable lengths in 5m bays. Available as a Hip or Gable End. Engineering Certificates available. All Clipframes are supplied with all hardware, PVC roof, plain PVC walling, pegs & load binders.

**Simple Set Up**

Quick and easy installation with no loose bolts, pins or fasteners required. Pull through PVC roof panels slide in after the frame has been erected.

**Linings**

Don't forget to dress your Marquee with our truly elegant Silkline Linings. Baytex is a leading designer and manufacturer of sophisticated Lining Systems for special events.

**Easy to Clean**

The PVC surface can be readily cleaned with a non-bleach mild detergent or Baytex 'Sliktop'.

**Manufacturing**

CAD designed and computer cut for dimensional accuracy. Manufactured onsite at Baytex as for the last 40 years.
